

## Peter Franus 2012 Red (Red Hills Lake County)

**94 POINTS** **Editors' Choice**

What a great break from boring commercial red blends! This vibrant but deep wine from the Fore Family Vineyard at 3,000-feet in elevation has beautiful spicy aromas like black pepper, cardamom and tar, distinctive flavors of cranberry and black cherry and a taut texture of fine-grained tannins and good acidity.

**92 POINTS** This lovely white is sourced from one site, the Stewart Vineyard in Carneros. It offers incredibly inviting aromatics and high-volume freshness, a nice combination that's balanced and ready for seafood. Peach and apple crispness further define it.

## 2014 Peter Franus Red Wine (Napa Valley)

**90 POINTS** Blending sizable portions of Cabernet Sauvignon and Merlot with Cabernet Franc, this approachable mix opens in a succulence of cherry and berry that remain juicy through the fleshy midpalate and finish. The oak is well-integrated and the tannins softened.
