29 Aug, 2023 – Beautiful red fruit character that's underlined by healthy fruit tannins and restrained oak on the medium-bodied palate. Then the black raspberry fruit explodes on the finish, there the superb integration of fruit and tannin driving the long and vivid finish. Drink or hold.

29 Aug, 2023 – Fragrant nose of red fruits and summer flowers. Then comes the wonderful interplay of fine tannins, restrained fruit and mineral intensity. Very compact finish with so much energy and depth for the vintage. Excellent aging potential! Drinkable now, but best from 2025.
